

## Magnetic Alarming 2-Tone Wrap

This 2-tone alarming wrap provides product security for a broad range of popular, high-valued merchandise. The adjustable cables secure packaging of all shapes and sizes, but still keep items accessible. When secured, the 2-tone wrap tag emits an audible alarm if defeat is attempted and alarms AM or RF pedestal systems if protected products pass through the detection field. The wrap alarm will stop when the battery is depleted or when properly detached. The robust design provides a strong visual deterrent while the small form factor minimizes impact on brand promotion.
